

RQ758N4SWI1 PUREFLAT FRIDGE FREEZER – STAINLESS STEEL

Store the whole family's weekly shopping

If you've got a busy household, you'll know how tricky it can be finding space to store the entire weekly food shop. The Hisense **PureFlat RQ758N4SWI1 Fridge Freezer** offers plenty of room for everything from fresh fruit and veg to a cheeky tub of ice cream.

With a multi air flow system keeping everything inside cool and fresh, you can enjoy healthy and creative meals throughout the week.

Convertible section

There's a section that you can control to suit whatever you're storing.

You can change the temperature between -20°C up to 5°C

– pop the temperature down if you need more frozen space,

and turn it up when you want to use it as a fridge section.

No need to defrost

Tired of manually defrosting?

The **RQ758N4SWI1**'s frost free design prevents ice from building up anywhere inside the appliance.

You can make maximum use of the space and tick the boring task of defrosting off the chore list.

Rapidly lower the temperature to keep food fresh

When you've just got back from the supermarket,

you need to get everything chilled and frozen quickly.

Use the Super Cooling and Super Freeze functions to rapidly lower the temperature,

locking in the freshness of your food.

Water dispenser

Enjoy ice cold water with the **RQ758N4SWI1**'s water dispenser.

There's no plumbing needed for it either

– simply fill up the 4 litre water tank and the fridge keeps it cool until you need it.
