

SAMSUNG

RZ32M7535B1

Single door freezer
Black graphite finish
Capacity: 315 lt

No frost
Metal Cooling
All Around Cooling
Digital inverter
Internal ice maker
Freezer function
Metal finish of the shelves
Ice tray
Two containers in the door
LED interior lighting
Power Freeze function

General functions
Door can be reversed opening
Door alarm
Refrigerant R600a
Number of hours of autonomous cooling (until temperature increases) 12 hours
external features
Display Type External (black graphite steel)
Door opening Easy Open handle

Performance
Energy efficiency class. A++
Noise level 41 dBA
Climate class SN-T
Freezing capacity (kg / 24 hours) 21 kg / 24 hours
Annual energy consumption 277 kWh / year

External **dimensions** (L x H x D) 59.5 x 185.3 x 69.4 cm.
