SAMSUNG

DV80T5220TT

Overview
Drying capacity (kg): 8.0
Energy efficiency class: A+++
Net weight: 50 kg

Performance & Characteristics
Drying technology: Heat pump
Standard program duration (min): 200
Energy efficiency class: A+++
Annual energy consumption (KWh/year): 176
Condensation efficiency class: B
Drying noise dB(A): 63
AI Control
Internal LED light
Child Safety (Key Lock)
Drying Levels: 3 levels
Drying Indicator
Easy ironing (Anti-crease)
OptimalDry Technology
Smart Things

Programs
Refresh with cold air
Outdoor
Towels
Hot Air
Wool
Quilts
Quick 35'
Cotton
Delicate
Mixed
Shirts
Synthetics

Physical Specifications
Net dimensions (WxHxD*): 600 x 850 x 600 mm
Net weight: 50 kg
Total depth including porthole: 650 mm
